CENTERRA METROPOLITAN DISTRICT NO.5
2026 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

Centerra Metropolitan District No. 5 is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act. The District was established as the “Finance District” as part of a “Multiple District Structure” for the mixed-use development known as “Centerra” located in the City of Loveland, Colorado. Along with its companion Districts No. 1 (“Service District”) and No. 2, No. 3, and No. 4 (“Financing Districts”), this District was organized to provide construction, installation, financing and operation of public improvements, including streets, traffic safety controls, landscaping, water, sanitary sewer, storm drainage, television relay, transportation, and park and recreation facilities.

The District has no employees at this time and all operations and administrative functions are contracted.

The budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor as of January 1 of each year. The levy is set by December 15 by certification to the County commissioners office. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes the District's share will be equal to approximately 7.5% of the property taxes collected.

Expenses

County Treasurer's Fees

County Treasurer's collection fees have been computed at 2% of property taxes.

Debt and Leases

The District has no outstanding debt or leases. However, property tax revenues are pledged to the Series 2017, 2018 Bonds, 2020, and 2022 Bonds for District No. 1 through a Capital Pledge Agreement.

The property tax limit will apply to all property taxing entities with the exception of school districts and any county, city and county, city, or town that has adopted a home rule charter (29-1-306(1)(b), C.R.S.). The revenue limit applies to any property taxing entities that have authority to exceed current 5.5% and the TABOR limit.

The Division of Local Government ("the Division") has developed technical assistance resources to assist taxing entities with the calculation of the property tax limit available online here (<https://dlg.colorado.gov/budget-information-and-resources>). Please understand that the Division has no statutory or administrative role in calculating or enforcing the property tax limit, and each taxing entity's revenue limits and voter approval history may be unique. The technical assistance resources provided by the Division with regard to the property tax limit are not definitive and not legal advice. Taxing entities may choose to calculate the property tax limit with a methodology that is different from the methodology presented in the Division's technical assistance resources. The Division always recommends that taxing entities consult with an attorney in order to understand and apply the various statutory and constitutional revenue limits that may apply to that taxing entity.
