I have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with accounting principles generally accepted in the United States of America.

I have also compiled the accompanying adopted budgets of revenue, expenditures and funds available prepared on the modified accrual basis of the Centerra Metropolitan District No. 5 for the year ending December 31, 2013 in accordance with standards established by the American Institute of Certified Public Accountants.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

My responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

## CENTERRA METROPOLITAN DISTRICT NO. 5

### 2013 BUDGET MESSAGE

Centerra Metropolitan District No.5 is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act. The District was established as part of a "Multiple District Structure" for the mixed-use development known as "Centerra" located in the City of Loveland, Colorado. Along with its companion Districts No.1 ("Service District") and No.2, No.3, and No.4 ("Financing Districts"), this "Financing District" was organized to provide financing for the acquisition, construction and installation of street and roadway enhancements; enhanced street landscaping, signage, monuments, and lighting; safety protection; park and recreation improvements; and sanitation and storm drainage; and to provide the operation and maintenance of these improvements.

The District has no employees at this time and all operations and administrative functions are contracted.

The budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

### 2013 BUDGET STRATEGY

The District's strategy in preparing the 2013 budget is to strive to provide the level of services as desired by the constituents of the District in the most economic manner possible.

#### *General Fund*

With the exception of the County Treasurer fees, all expenditures are related to the transfers to the Service District for overall administrative and operating as required by an intergovernmental agreement. The District adopted a mill levy of 15.000 mills which resulted in budgeted property tax revenue of \$13, specific ownership tax revenue of \$76 and other income of \$100.

#### *Debt*

The District has no outstanding debt.

*Reserves*

The District transfers all of its revenue to Centerra Metropolitan District No. 1 as provided for in an intergovernmental agreement between Centerra Metropolitan District Nos. 1-5. Therefore, no emergency reserve has been provided for in Centerra Metropolitan District No. 5. The emergency reserve related to this District is held in Centerra Metropolitan District No. 1.
